The MARYLAND GAZETTE

[XXth Year.] THURSDAY, March 21, 1765. [No. 1037.]

BOSTON, *February* 7.

WE hear from Duxbury in the County of Plymouth, That on Monday Night the 4th of this Inſtant February, the Dwelling Houſe of Dr. Eleazer Harlow, was entirely conſumed by Fire, together with all the Furniture, Goods, &c. that was in the Houſe, to a very great Value.——The Fire was not diſcovered until the Family were ſurrounded with Flames, which was about Midnight; the Doctor with great Difficulty eſcaped, with only his Shirt on him, one of his Arms was much burnt, and Mrs. Harlow had but juſt Time to ſave herſelf by jumping out of the Chamber Window, with only her Shift on.—But what is moſt melancholy, an only Daughter of the Doctor's about 13 Years of Age, and an only Daughter of Mrs. Harlow's, named Dabney, about 11 Years of Age, both periſhed in the Flames. It is not known how the Fire happened, but it is ſuppoſed by the Mantle piece, or a Beam under one of the Hearths.

A few Days ago, at a Houſe at the North End, the Nurſe having left a Child in a Room below, while ſhe went above-ſtairs, it fell into the Fire, and ſcorched its Face and Hands to a great Degree: But what rendered it ſtill more an Object of Commiſeration was, a live Coal got down its Back, which was not diſcovered till a conſiderable Time afterwards, when it was undreſſed, the Fire having penetrated almoſt to the Bone.—It is hoped Accidents of this Kind will be a ſufficient Inducement to Nurſes to be very careful how to leave Children expoſed to ſuch Caſualties.

PROVIDENCE, *(N. E.) February* 9.

Captain Angell, who lately arrived here from Montego-Bay, in Jamaica, informs us, That a few Days before he ſailed from thence, which was on the 17th of December laſt, Advice was received from Spaniſh-Town, that the Negroes in and about that Place, who are very numerous, had formed a horrid Conſpiracy for maſſacring all the white Inhabitants, and taking Poſſeſſion of their Eſtates; for which Purpoſe they had actually provided a large Magazine of Arms and Ammunition of almoſt every Kind, at a little Diſtance from the Town, which being happily diſcovered, their whole Plot was laid open, before it was quite ripe for Execution: That many of the Ringleaders were apprehended and ſecured, and would ſoon meet with their Deſerts; and that every neceſſary Precaution was purſuing, to preſerve the Tranquility of the Iſland.——Theſe rebellious Negroes, it appears, intended to have begun their Operations on Chriſtmas Day, by murdering all the white People in Spaniſh-Town, and after that to march to Kingſton, and every other Place, and repeat the ſame cruel Scene, till they had gained the Maſtery of the whole Iſland, in which they expected the chearful Aſſiſtance of numerous Bodies of their Fellow-Slaves. Notwithſtanding this ſeaſonable Diſcovery, it was expected at Montego-Bay, that Martial Law would be declared in a few Days.

Extract of a Letter from London, dated Nov. 30.

——"The Minority, by Death and other Accidents, are mouldered away almoſt to nothing. The Miniſtry are now employed in preparing ſome Bills againſt next Seſſions, which will render them very popular; and they have, in particular, under their ſerious Conſideration, the Purchaſe of the Superiority of the Iſle of Man, which hath been, for many Years, the Grand Theatre of Smuggling. This will increaſe the Revenue to a prodigious Degree. I have alſo the Pleaſure to acquaint you, that, by the unuſual Care of the Officers of the Revenue, and by ſome excellent Regulations lately made in it, as well as by the great Increaſe of our Commerce in general, the Sinking Fund hath this Year much exceeded Two Millions; a Sum which a Man, in high Office, told me the other Day, neither their Hopes nor Wiſhes ever preſumed to reach before."

NEW-YORK, *February* 25.

ON Monday the 4th of February, was held a Meeting of the Society, when ſeveral Sums of Money were agreed to be lent to encourage induſtrious Perſons in the Linen Branch.

AS it would be of great Importance, that the moſt conſiderable Perſons in this Colony ſhould have Opportunities of aſſiſting their Neighbours, and of diſcovering to this Society, and Others, the beſt Manner of Culture by Experiments: The Committee would recommend the following Requiſites, as well as the aſcertaining the Quantity and Quality of the Articles that may be entitled to the Premiums on Agriculture, viz.

For the greateſt Quantities of Flax. The Farmer is to make it appear to the Satisfaction of one of the Members of the Society, or of a Miniſter of the Goſpel, or of a Juſtice of the Peace for the County, and of two reputable neighbouring Farmers, that he has raiſed ſuch a Quantity of good merchantable ſwingled Flax in 1765. And alſo it is deſired of the Claimants, that they give a particular Account of the Place, Soil, Condition, and Extent of the Ground; the Seaſon, Steps of the Culture; and, as near as may be, an Eſtimate of the Value of the Labour. All, or any three of which Perſons, are to give a Certificate that they are well convinced of the above Particulars, which being ſent to the Secretary of the Society, on or before the firſt Monday of January, 1766, ſhall entitle the Claimants to ſtand regularly for the reſpective Premiums.

Monday the 18th Inſtant, was held a Meeting of the Society, when Mr. Lamb, preſented three ſeveral Deſigns for Medals, which are to be further conſidered. Some Propoſals were offered for Premiums on different Articles, which agreeable to the Society's Rules, will be determined upon at a future Meeting.

The following Queſtions were propoſed, and agreed to be diſcuſſed at their next Meeting, on Monday the 4th of March, after the ordinary Buſineſs of the Evening is finiſhed.

1ſt. Whether a Paper Currency is of Advantage to this Colony?

2d. Whether Settling the remote Parts of the Province will be of Advantage to Great-Britain and the lower Parts of this Colony; and if ſo, what will be the beſt Method of effecting ſuch Settlements.

It is hoped the Members of the Society will be prepared to give their Sentiments on theſe intereſting Topics either verbally or in Writing; and ſuch as are at a Diſtance, and have any Thing to offer, are deſired to communicate the ſame by Letter, directed to the Secretary.

Publiſhed by Order of the Society,

BENJAMIN KISSAM, Secretary.

PHILADELPHIA, *March* 7.

Extract of a Letter from Fort-Pitt, dated Jan. 31.

"A Party of Mohawks, ſent from this Fort with a Meſſage to the Shawaneſe Chiefs, have returned, without going to the Shawaneſe Towns, having met, about 30 Miles from hence, Benevilica, a Shawaneſe Chief, coming here with the Virginia Volunteers, who went from Muſkingham to the Lower Shawaneſe Town, to fetch their Relations, who were Priſoners there. The Mohawks therefore returned back with them, and delivered the Meſſage here.

"Benevilica informs, that when he left home, the Chiefs of his Nation, who went laſt Summer to viſit the French, were within a Day's Journey of their Town, with about 50 Priſoners, who all returned home, on hearing that the Shawaneſe had entered into Terms of Peace with the Engliſh.

"Benevilica ſays, his Reaſons for coming here now, were to fulfil his Promiſe made at Muſkingham, viz. to take Care of the Virginians, and aſſiſt them in getting their Relations, and ſee them ſafe to this Place; and likewiſe to learn from certainty, whether we are ſtill firm for Peace; as their Nation gave no Credit to the Reports of the Red Head and his Party.

"The Virginians have brought in 9 Captives; they were all Froſt-bit before they reached Beaver Creek, where a Serjeant and 12 Men, with Horſes and Proviſions, were ſent to their Aſſiſtance. The extream Cold has been ſeverely felt by the Priſoners, conſiſting chiefly of old Women and young Children. Benevilica was of great Service to our People in his Country, and on their March thro' the Woods. He ſays that the reſt of the Priſoners were obliged to ſtop till the Spring at Weſtenmikon, on Account of the deep Snow; but that a Number of Hoſtages will immediately arrive here, to replace thoſe who foolihly ran away.

"The Weather has been ſo uncommonly ſevere at this Poſt, that both Rivers have been paſſable on the Ice theſe ſix Weeks."

LIST of CAPTIVES delivered up by the Shawaneſe at Muſkingum, and arrived at Fort Pitt, Jan. 5, 1765, *all taken in Virginia:*

"Mary and Miriam Hamilton, Jane Gilmore, Mary Bird, Elizabeth Yokam, Elizabeth Fiſher, Eliſabeth Cunningham, Mary and David Williams."

At a Meeting of the Hibernia Fire-Company of this City, on the 4th Inſt. from Motives of Frugality, and in order to reduce the preſent high Price of Mutton, and encourage the Breweries of Pennſylvania, it was agreed not to purchaſe any Lamb this Seaſon, or drink any foreign Beer.

In order to encourage and increaſe the Breed of Sheep in this Province, it was agreed, at a Meeting of the Fellowſhip Fire-Company, on the 4th Inſtant, that none of their Members do buy or uſe any Lamb Meat in their Families the enſuing Seaſon.

A Gentleman in a neighbouring Province of these Dominions having made it an extraordinary Request, that as we have learnt not what Punishment there is for such Rascality, we would declare laying any thing on that Head. However, we know the Troops quartered here have Orders to march under Arms to Church next Sunday, and to be furnished with 16 Rounds of Powder and Ball each Man.

DUBLIN, *January* 12.

Extract of a Letter from Waterford, Jan. 9. 1765.

"We are in great Hopes here, that the whole Plot of the White Boys will be discovered, which you may rely on was no less than an intended Rebellion.—Lord Carrick brought a Woman here last Saturday, who, it is expected, will discover the whole. We have a French Officer in Prison here."

THE HORSE called TANNER, lately belonging to Mrs. *Harrison* in *England*, and Imported last Summer in the *John* and *Mary*, Capt. *John Carling*. He is about 15 Hands and an Inch high, of a dark brown Colour, and his Figure, by the best Judges, allow'd to be equal, if not superior, to any ever Imported into the Province. His Pedigree is too high to want his best Recommendation, and for his Performances the Reader is refer'd to *Hyde's* Book of Racing in 1761 and 62.

Likewise, To be Let, The Subscriber's House in *Annapolis*, with a large Garden, Lot, Coach-House, Stabling for Four Horses, and a Brick Warehouse 80 Feet in Length. As also the Wind-Mill and Warehouses situate near Mrs. *Baldwin's*. For further Particulars, enquire of *Walter Dulany*, Esqr in *Annapolis*, or of
DANIEL WOLSTENHOLME.

AS I find myself under an indispensible Necessity of Collecting all Arrearages due to me as late Sheriff of *Frederick* County, I take this Method to acquaint such Persons as live in the distant Counties, and Others concerned, That I will attend for that Purpose, at the House of Mr. *William Reynolds* in *Annapolis*, during the first and second Weeks of the ensuing Provincial Court; and I flatter myself that those who are disposed to act justly, will then settle their several Accounts with me, as no further Indulgence can or will be given. This public Notice and Appointment, are intended, as well to prevent the frivolous Excuse of being unprovided, losing the Attorneys, calling again, &c. &c. &c. as to suit the Convenience of the several Debtors; it is therefore hoped those Gentlemen, whose Affairs may not require their personal Attendance at the Provincial Court, will transmit their Ballances by some Friend or Neighbour, as Opportunities at the above public Time may be easily met with, unless by such as are inclined to be ignorant of them. As I am determined that no Complaisance to any Person whatever, shall induce me to sacrifice my own Credit, or suffer that of my Securities to be impeached, those who neglect paying a proper Regard to this Advertisement, may depend on seeing one more to the Purpose. THOMAS PRATHER, late Sheriff
(*t*) of *Frederick* County.

THE Subscribers beg Leave to inform the PUBLIC, That they have lately Erected, at *BALTIMORE-TOWN*, in MARYLAND, A DISTILLERY for making RUM; which, (by many good Judges who have seen it) is allowed to be one of the largest, compleatest and best constructed STILL-HOUSE of any in NORTH-AMERICA: And having furnished themselves with an expert DISTILLER, and a plentiful Stock of MOLASSES, they purpose to carry on the DISTILLING BUSINESS extensively; and to supply constantly the Demand for Home-made RUM, at nearly the same as the *Philadelphia* Prices, at least on much lower Terms than the Province of MARYLAND has been generally supplied with this Article. The RUM already made by them has been highly approved by the best Judges, and deemed superior to either *Philadelphia*, or *New-England* RUM; and they hope to give Satisfaction to the Public, as well as maintain their own Reputation, by continuing to make always of the same approved Quality.

As this Undertaking is so well calculated to promote the general Trade of the Province, and so convenient for supplying the Country Traders, Farmers, &c. who bring their Produce to *Baltimore* Market, as well as to promote the private Emolument of the Owners; it is hoped the Public will give proper Encouragement to a Branch of Trade so useful, and so much wanted in the Province.

Any Gentlemen wanting Quantities of RUM for Exportation, by giving timeous Notice may be supplied, and proper Allowance made to such, by

their humble Servants,

SAMUEL & ROBERT PURVIANCE, & Comp.
